Director of Operations

Carrie M. Lewis
Superintendent of Water Works

January 9, 2013
Official Notice No. 2013-11-1
Addendum No. 1

To Whom It May Concern:

Recently you received plans and bid documents for Water Main Relays in the City of Milwaukee, Official Notice No. 2013-11-1.

Bidders shall be aware of the following City of Milwaukee Forestry Division requirements for S. 60th St. from W. Howard Ave. to W. Waterford Ave. (plan file no.'s 2013008 and 2013009):

The contractor shall not drive, operate, or park any heavy equipment on, store any materials on, nor in any way use the landscaped median islands of S 60th St.

Should curb and gutter removal and replacement be deemed necessary, the contractor shall not cut or remove any tree roots near the existing curb and gutter. Either a slip-form paver must be used, or 1/4" steel form placed back of curb near tree roots.

All costs associated with these requirements shall be included in the unit price bid for "Furnish Pipe and Install".

Each bidder shall acknowledge receipt of this addendum in the bid documents.

If you have any questions regarding this, please contact Mr. Mark Scheller at 414-286-2427.

Your interest in this project is greatly appreciated.

Very truly yours,

Dinah G. Gant, P.E.
Chief Design Engineer
Milwaukee Water Works
