

City Of Milwaukee
Department of Public Works
Room 501 – Frank P. Zeidler Municipal Building
841 North Broadway
Milwaukee, Wisconsin 53202-3684

INVITATION TO BID

Commissioner of Public Works
Phone: 414-286-3314

OFFICIAL NOTICE NO. 115
Project No. 1

Sealed bids for the work, material, labor, and services hereinafter described will be received at the Department of Public Works **Contract Office**, Room 506, Frank P. Zeidler Municipal Building, 841 North Broadway, Milwaukee, Wisconsin 53202-3684, no later than Monday, September 8, 2014, at 10:30 A.M.

IMPORTANT

This bid is your offer to perform or supply the subject matter under “DESCRIPTION” below according to the terms and conditions set forth in this Invitation to Bid, Specific Official Notice No.115 General Specifications, Detailed Specifications, Special Provisions, Plans of this particular project, the proposed contract and Special Conditions when applicable.

Your bid must meet the Detailed Specifications and the Plans for this particular project.

You must agree to comply with all applicable requirements of the Americans with Disabilities Act of 1990, 42 U.S.C. Section 12101, et seq.

The bid must be signed as set forth in the General Specifications and must comply with all the requirements therein set forth, or it will not be considered. If submitted by a corporation, the bid proposal must bear the corporate seal.

Bid security hereinafter specified must be submitted with your bid. If a bid bond is used, it must be sealed by the bonding company and be accompanied by an affidavit of no interest and a copy of a power of attorney. Bonding agents must be licensed to do business in the State of Wisconsin.

Bids received after the date and the time above specified will not be opened and read and will be deemed rejected.

NOTE: Also read the General Official Notice to Contractors, General and Detailed Specifications, Special Provisions, and Special Conditions when applicable pertaining to this bid.

BLANK

CITY OF MILWAUKEE
SPECIFIC OFFICIAL NOTICE NO. 115

Sealed bids will be opened on Monday, September 8, 2014 at 10:30 A.M. for **SEALCOATING WORK**, located at various locations in the City of Milwaukee.

Bid Security Required: Bond (either Electronic thru Bid Express or Paper), Certified Check, Cashier's Check or Cash to accompany bid: 10% of the Contractor's Base Bid. For those bids being submitted through BID EXPRESS and using a Paper Bond, the contractor may fax a signed/executed copy of the bid bond to the Department of Public Works Contract Office at 414-286-8110.

HOWEVER, THE FAXED COPY OF THE BOND MUST BE RECEIVED BY NO LATER THAN 10:30 A.M. ON THE SAME DATE THAT THE BIDS ARE DUE FOR THAT SPECIFIC OFFICIAL NOTICE, or the bid will be considered non-responsive. *The original bid bond document will then need to be submitted by the contractor to the Department of Public Works Contract Office, Rm. 506, Municipal Building, immediately upon being notified that they are the apparent low bidder*

Time for Completion: July 31, 2015

Liquidated Damages, per diem: \$150.00

The residency requirement for this project is 0% of all hours worked on the project.

The SBE requirement for this project is 0% of the contract base bid.

For a complete listing of City of Milwaukee certified SBE firms, see the Office of Small Business Development's (OSBD) website at <http://city.milwaukee.gov/Directory/OSBD>. If there are any questions regarding SBE firms, please contact the OSBD office at 414-286-5553.

The apprenticeship requirements for this project are: N/A

The contractor shall specifically note the SBE, residency, and apprenticeship forms for this project. If the forms are not filled out properly, it will be cause for rejection of the bid.

When the project is part of the Local Road Improvement Program, the contractor is still required to pay not less than the prevailing wage rate as established by the City of Milwaukee.

IMPORTANT NOTICE: The Invitation to Bid, all bid documents and the Plans and Specifications for the listed project(s) are all available electronically on the DPW website AS WELL AS **on the Bid Express Website**. At this time, Bids can be submitted using either Bid Express OR by purchasing and submitting paper bids in the usual manner. However, Bidders are strongly encouraged to utilize the electronic and/or Bid Express methods of obtaining bid documents and Bid Express for submitting bids, as in the near future the Department of Public Works intends to have bid documents available only electronically and through Bid Express, *and to accept bid submittals only via Bid Express*. Electronic documents can be obtained via <http://mpw.milwaukee.gov/bids/docs/115-2014>. The Bid Express website is located at bidexpress.com. Any required addenda or response related to listed projects will be posted on both the DPW and Bid Express websites. At this time there are still a limited number of hard copies of the bid documents available at the address listed below. IF YOU ONLY PRINT THE DOCUMENTS FROM THE DPW WEBSITE PLEASE CALL 414-286-3314 TO HAVE YOUR COMPANY'S NAME AND CONTACT INFORMATION PLACED ON THE PLAN HOLDER'S LIST.

PAYMENT MONITORING REQUIREMENTS: All Contractors awarded a contract valued at \$25,000.00 or more are required to participate in training on the City of Milwaukee's B2GNow contract compliance software. Contractors must complete the training no later than 30 days after the date of contract award. Throughout the contract term, Contractors are required to regularly provide timely payment information in the City's contract compliance software.

Please contact the Office of Small Business Development (OSBD) at 414-286-5553 should you have any questions or concerns regarding the training or reporting process.

Plans and project manual will be furnished to the prospective bidders upon payment of a \$10.00 non-refundable fee in room 506, Frank P. Zeidler Municipal Building, 841 North Broadway, Milwaukee, Wisconsin 53202. For general questions call 414-286-3314.

A \$10.00 per set additional non-refundable fee is required to obtain bid documents by mail. Plans are sent via U.S. mail unless other arrangements are made by the contractor.

Contractor must comply with all provisions of the CITY OF MILWAUKEE GENERAL OFFICIAL NOTICE TO CONTRACTORS published herein and at:
http://mpw.milwaukee.gov/services/bids_home

Signed:

GHASSAN KORBAN
Commissioner of Public Works

PUBLISH SIX (6) TIMES INSERTION WITHOUT FAIL, Thursday, August 21, 2014

IMPORTANT NOTICE

ALL BID PRICES MUST BE ENTERED IN WORDS AND IN NUMERALS. IN CASE OF VARIATION BETWEEN THE TWO, THE WORDS WILL PREVAIL.

IN ADDITION, IF THERE IS A DISCREPANCY BETWEEN THE TOTAL INDICATED IN THE PROPOSAL AND THE AMOUNT OBTAINED BY ADDING THE PRODUCTS OF THE QUANTITIES TIMES THE UNIT PRICES, THE LATTER SHALL GOVERN. ANY ERRORS FOUND IN THE TOTAL INDICATED SHALL BE CORRECTED AND THE CONTRACT AWARD SHALL BE MADE TO THE LOWEST RESPONSIBLE BIDDER BASED ON THE CORRECTED TOTAL.

IF DOUBT EXISTS AS TO WHAT IS BID, THE BID WILL BE REJECTED.

SMALL BUSINESS ENTERPRISE PROGRAM, RESIDENT PREFERENCE AND APPRENTICESHIP PROGRAM REQUIREMENTS

In submitting this bid, the bidder acknowledges, understands and agrees that submission of a bid shall commit the bidder to comply with the City's requirements as outlined in the SMALL BUSINESS ENTERPRISE PROGRAM (SBE), the Resident Preference Program and the Apprenticeship Program provisions. The bidder also agrees to comply with the specific requirements as follows:

The bidder's commitment for SBE participation on this project is 0 %

The bidder's commitment for Resident Preference Program Participation on the project is 0 %

The bidder's commitment for Apprenticeship Program participation on this project is:
Apprentice(s) from 0 of the following trade(s) are to be employed.

In submitting this bid, the bidder understands that the Commissioner of Public Works reserves the right to reject any and all bids. If written notice of the acceptance of the bid is mailed, telegraphed, or delivered to the undersigned within forty-five (45) days after the opening thereof, the undersigned agrees to execute and deliver the contract in the prescribed form (contract form on file in the office of the Commissioner of Public Works) and furnish the required performance and payment bonds, and to meet such insurance requirements as may be required, within ten days after the receipt of the official notice of award.

This bidder understands that if they are the successful bidder and the contract is awarded, that pursuant to Sec. 7.14, Milwaukee City Charter, 1971 Compilation, as amended, failure to execute and to deliver the contract or to furnish the required insurance and the required security within ten (10) days after receipt of the official notice of award or such extension thereto as the Commissioner only may deem reasonable, the City, in addition to any other legal or equitable remedy which it may have, may annul the award and notice of award, and the bid security of this bidder will be forfeited.

Attached hereto is an affidavit in proof that the undersigned has not colluded with any person in respect to this bid or any other bid for the contract for which this bid is submitted.

We acknowledge the receipt of Addenda _____ to _____ inclusive.

Bidder assures the City and acknowledges that the Official Notice, Special Provisions, if any, Special Conditions where applicable, Invitation to Bid and Bid, Detail Specifications, Addenda, if any, and Plans of this particular project have been read and has a full understanding of the provisions therein.

Disclosure of Ownership

Notice required under Section 15.04(1)(m), Wisconsin Statutes. The statutory authority for the use of this form is prescribed in Sections 66.0903(12)(d) and 103.49(7)(d), Wisconsin Statutes. The use of this form is mandatory. The penalty for failing to complete this form is prescribed in Section 103.005(12), Wisconsin Statutes. Personal information you provide may be used for secondary purposes

- (1) On the date a contractor submits a bid to or completes negotiations with a state agency or local governmental unit, on a project subject to Section 66.0903 or 103.49, Wisconsin Statutes, the contractor shall disclose to such state agency or local governmental unit the name of any "other construction business", which the contractor, or a shareholder, officer or partner of the contractor, owns or has owned within the preceding three (3) years.
- (2) The term "other construction business" means any business engaged in the erection, construction, remodeling, repairing, demolition, altering or painting and decorating of buildings, structures or facilities. It also means any business engaged in supplying mineral aggregate, or hauling excavated material or spoil as provided by Sections 66.0903(3), 103.49(2) and 103.50(2), Wisconsin Statutes.
- (3) This form must **ONLY** be filed, with the state agency or local governmental unit that will be awarding the contract, if **both (A) and (B) are met.**
- (A) The contractor, or a shareholder, officer or partner of the contractor:
- (1) Owns at least a 25% interest in the "other construction business", indicated below, on the date the contractor submits a bid or completes negotiations.
 - (2) Or has owned at least a 25% interest in the "other construction business" at any time within the preceding three (3) years.
- (B) The Wisconsin Department of Workforce Development (DWD) has determined that the "other construction business" has failed to pay the prevailing wage rate or time and one-half the required hourly basic rate of pay, for hours worked in excess of the prevailing hours of labor, to any employee at any time within the preceding three (3) years.

To ensure DPW is in compliance with any federal procurement requirements regarding suspension and debarment, CONTRACTOR must sign this “Suspension/Debarment Certification Form”.

Please complete and sign below and return this form to:

Department of Public Works Contract Office
Room **506**, Municipal Building
841 North Broadway
Milwaukee, WI 53202

Submittal required prior to start of work on this project.

CERTIFICATION REGARDING SUSPENSION AND DEBARMENT

The CONTRACTOR certifies that all potential sub-recipients, contractors, and any and all of their principals are not debarred, suspended or proposed for debarment for federal assistance (e.g., General Services Administration’s List of Parties Excluded from Federal Procurement and Non-Procurement Programs), and that throughout the term of its federally-funded contracts with the City of Milwaukee, the CONTRACTOR will not enter into any transactions with any sub-recipients, contractors, or any of their principals who are debarred, suspended or proposed for debarment.

* Combined under one lump sum.

SCOPE OF WORK

Sealcoat bituminous pavements, using a slurry seal consisting of a mixture of emulsified asphalt, mineral aggregate and water, properly proportioned, mixed and spread evenly on the surface as specified and directed. The pavements to be sealcoated are set forth in the attached list. The area to be covered with a slurry seal shall be approximately 135,504 square yards.

The City's work prior to and following the contractor's sealcoating operations will include sweeping the pavement surfaces to be sealed with mechanical sweepers, patching all holes and surface defects prior to this contract.

The posting of "No Parking Signs" and the closing of the road in accordance with "Work Zone Safety" Guidelines for Construction, Maintenance and Utility Operations Manual dated March 2013 will be the responsibility of the contractor. The contractor shall also be responsible for notifying property owners, residents and businesses affected by their Sealcoating Operation. The cost for posting of traffic control signs, traffic control and posting of notices to residents shall be included in the bid for Square Yards of Pavement Slurry Treatment Sealcoating.

The City reserves the right to adjust the sealcoating yardage of the contract. The adjusted yardage shall not exceed 20% of the bid quantity.

Bituminous Chip Seal with Copper Slag Aggregate

Chip Seal bituminous pavements, using a bituminous Chip Seal with Class A, B, or C aggregate consisting of a mixture of bituminous seal coating with stone cover aggregate spread evenly on the surface as specified and directed. The pavements to be chip sealed are set forth in the attached list. The area to be covered with a chip seal shall be approximately 41,336 square yards.

The City's work prior to and following the contractor's chip seal operations will include sweeping the pavement surfaces to be sealed with mechanical sweepers, patching all holes and surface defects prior to the contract.

The posting of "No Parking Signs" and the closing of the road in accordance with "Work Zone Safety" Guidelines for Construction, Maintenance and Utility Operations Manual dated March 2013 will be the responsibility of the contractor. The contractor shall also be responsible for notifying property owners, residents and businesses affected by their chip seal Operation. The cost for posting of traffic control signs, traffic control and posting of notices to residents shall be included in the bid for Square Yards of Chip Seal Pavement Treatment. A copy of the notice to residents shall be submitted to and approved by DPW prior to distribution to the property owners.

The City reserves the right to adjust the chip seal yardage of the contract. The adjusted yardage shall not exceed 20% of the bid quantity.

Description: The work shall consist of bituminous seal coating with stone cover aggregate. The work shall be done in accordance with Section 4.75 2013 State of Wisconsin Department of Transportation “Standard Specifications for Highway and Structure Construction” with the Special provisions for aggregate below.

Materials: Provide a Class A, B, or C aggregate. Use aggregates, uniform in quality and free from wood, bark, roots and other deleterious materials. All Class C aggregates shall be 80% crushed one face (mechanical or natural), of the plus 4.75 mm [#4] fraction. Gradation and quality requirements are specified in the item “B” below. All percentages are by weight.

- A. Bituminous Material: The bituminous material to be furnished and applied shall be CRS-2P (Polymer-modified) emulsion. The emulsion shall be applied at a rate of .033±.02 gallons per square yard. The bitumen shall be applied at the appropriate temperature for the particular grade.
- B. Cover Aggregate: The cover aggregate (FA-2½) shall meet the requirements of the sieve specifications, and conform to the following sieve size.

FA-21/2

Sieve Size	Percent Passing
½ inch	100%
3/8 inch	100%
¼ inch	0 – 100%
No. 4	0 – 50%
No. 8	0 – 12%
No. 16	0 – 5%
No. 50	
No. 100	
No. 200	0.0 – 1.0

Class A aggregate shall consist of crushed quarry or mine trap rock (basalt, diabase, gabbro or other related igneous rock types), quartzite, gneiss or granite. Other igneous or metamorphic quarry or mine rock may be used only with approval of the Engineer . Crushed aggregate produced from igneous or quartzite stones retained on a 100 mm (4 inch) screen will also be permitted by approval of the Engineer.

Class B aggregate shall consist of all other crushed quarry or mine rock; i.e., carbonates, rhyolite, schist.

Class C aggregate shall consist of natural or partly crushed natural gravel obtained from a natural gravel deposit. It may contain a quantity of material obtained from crushing the oversize stone in a deposit, provided such crushed material is uniformly mixed with natural, uncrushed particles.

The aggregate shall be applied at the rate of 20 ± 2 pounds per square yard. The Contractor shall take all precautions to minimize contamination of the aggregate.

The additional location for chip seal at S. 13th St. from W. Drexel Ave. to W. Rawson Ave. with a quantity of 14,080 square yards in the areas where the HIR has been completed. Work is to be coordinated with the HIR installation by Gallagher Asphalt Inc. that is estimated to take place the week of August 18, 2014. The Chip Seal is to be completed between three and five weeks after the HIR is installed.

The low bidder is to bill Milwaukee County directly for the work on S. 13th St. Contact Mr. Clark Wantoch at (414) 278-4823 for the details on how to bill them.

Pavement marking will be done by Milwaukee county personnel.

SPECIAL PROVISIONS

1. Work shall be performed in accordance with the City of Milwaukee, Infrastructure Services Division, Street Construction Specifications dated July 1, 1992 and with the 2014 State of Wisconsin DOT "Standard Specifications for Highway and Structure Construction".
2. It is the City's intent to have all the streets included in this contract patched and crackfilled prior to the contractor commencing operations.
3. The sealcoating program of approximately 135,504 square yards of bituminous pavement shall be divided into daily production routes of approximately 18,000 square yards for the slurry seal operation. The Contractor will provide the daily routes for sealcoating to the City of Milwaukee Sealing Supervisor. Changes in route schedules must be made 48 hours in advance unless approved by the Sealing Supervisor. There are also 55,621 square yards of chip sealing with the same provisions.
4. The City reserves the right to adjust the bid quantities on this contract contingent on the availability of funds. The adjusted quantities shall not exceed 20% of the bid quantities.
5. The cured slurry seal treatment shall have a homogeneous appearance and be in conformance with the following requirements:

Asphalt Emulsion: The emulsified asphalt shall conform to the requirements of AASHTO Designation: M208, Cationic Emulsified Asphalt. The type used in making the slurry mixture shall be CSS-1 or CSS-1H.

Aggregates: The aggregates shall consist of wet bottom boiler slag, blended with natural or manufactured sand, crushed gravel, crushed stone or other hard durable miner aggregates and mineral filler, if required, to provide a mixture complying with the following requirements:

Tests on aggregates shall be in accordance with subsection 401.2.9 as modified hereafter.

Wet bottom boiler slag shall constitute 40 to 65 percent by weight of the aggregate mixture.

Mineral filler, meeting the requirements of AASHTO M-85, Type I Portland Cement shall be blended as needed in the mix to improve the gradation of aggregate, improve the workability of the mix, or adjust the setting time of the emulsion.

Aggregate components other than the wet bottom boiler slag and the mineral filler shall conform to the following requirements:

When tested in accordance with AASHTO T104 (fine aggregate procedure using sodium sulfate), the soundness loss shall not be more than 15 percent, by weight, in five cycles. When tested in accordance with AASHTO T96, Grading D, the abrasion loss shall be not more than 40 percent.

Aggregates shall be free of vegetative matter and other deleterious materials.

All water used with the slurry seal mixture shall be potable and free from harmful soluble salts.

The contractor shall provide suitable storage facilities for the asphalt emulsion. The container shall be equipped to prevent water from entering the emulsion. Suitable heat shall be provide, as necessary, to prevent freezing.

The final aggregate blend, including mineral filler, shall comply with the following gradation requirements:

<u>SIEVE SIZE</u>	<u>PERCENT PASSING BY WEIGHT</u>
3/8 inch	100
No. 4	90 – 100
No. 8	65 – 90
No. 16	45 – 70
No. 30	30 – 50
No. 50	18 – 30
No. 100	10 – 21
No. 200	5 – 15

The amount of asphalt emulsion to be blended with the aggregate is expected to be in the range of 15 to 20 percent by weight of dry aggregate, but the actual amount to be used shall be determined and agreed upon by the contractor and the Sealing Supervisor, on the basis of laboratory tests, with final adjustments in the field. A minimum amount of water shall be added as necessary to obtain a fluid homogeneous mixture.

The rate of application of aggregate shall be a minimum of 17 plus or minus 2 pounds per square yard on the surface and to true up the surface and give it a uniform appearance.

6. All work must be completed by July 31, 2015. The contractor shall notify the Commissioner of Public Works a minimum of 10 days in advance of starting work on this contract.
7. The contractor's hours of work are restricted to 6:00 A.M. to 4:30 P.M. daily unless approved by the Sealing Supervisor.

8. Work shall proceed in a continuous manner except for periods of inclement weather. The contractor shall not stop work on this contract without the approval of or direction from the Commissioner of Public Works. The contractor shall notify the Sealing Supervisor at 286-3435 prior to 7:00 a.m. on any day he is unable to work on the contract. A daily penalty of \$50.00 shall be levied upon the failure to call the Street Sealing Supervisor.
9. Weather – During periods of rain or inclement weather, sealcoating material shall not be placed without approval of the Commissioner or his representative. After periods of rain or inclement weather, all pavement surfaces must be free of moisture prior to continuance of applying the sealcoating materials.

The slurry seal shall not be applied when either the pavement or air temperature is 55 degrees F or below and falling, but may be applied when both the air and pavement temperature is 45 degrees F or above and rising.

10. A sample of all sealcoating materials used by the contractor shall be tested two weeks before contract start date at an approved and qualified testing laboratory in accordance with industry standards and the results provided to the City (Mr. Jeff Dellemann at (414) 286-2078). The costs for this testing, including mailing or handling charges are the responsibility of the contractor and shall be included in the cost for the sealcoating.
11. Due to numerous civic events in the City, sealcoating locations may be substituted or removed from daily routes so as not to interfere with any scheduled civic event.
12. Contractor's Required Equipment: All equipment, tools and machines used in the performance of the work on the contract will be subject to the approval of the Sealing Supervisor and shall be maintained in satisfactory working order at all times. The contractor shall not start work at the beginning of the day unless all equipment is operating in a condition satisfactory to the Sealing Supervisor.

For the slurry treatments, the slurry mixing machines shall be continuous flow mixing units capable of delivering accurately a predetermined proportion of aggregate, water and asphalt emulsion to the mixing chamber and to discharge the thoroughly mixed product on a continuous basis. The aggregate shall be pre-wetted immediately prior to mixing with the emulsion. The mixing unit of the mixing chamber shall be capable of thoroughly blending all ingredients together. No violent mixing will be permitted.

The slurry seal mixing machine shall be equipped with an approved fines feeder that provides an accurate metering device or method to introduce a predetermined proportion of mineral filler into the mixer at the same time and location that the aggregate is fed. The fines feeder shall be used whenever added mineral filler is a part of the aggregate blend.

Attached to the mixer machine shall be a mechanical type squeegee distributor equipped with flexible material in contact with the surface to prevent loss of slurry from the distributor. It shall be maintained so as to prevent loss of slurry on varying grades and crown by adjustments to assure uniform spread. There shall be a steering device and a flexible strike-off. The spreader box shall have an adjustable width so as to match the width of the bituminous surface on which the slurry is to be applied. The box shall be

kept clean and buildup of asphalt and aggregate on the box will not be permitted. The use of burlap drags or other drags shall be approved by the Sealing Supervisor.

There shall be an adequate amount of mixing units and slurry spreading units available at all times during the sealing operations, so as not to halt or delay the days operation.

The contractor shall furnish power broom, power blowers, air compressors, water flushing equipment, hand brooms, hand squeegees, shovels and any other equipment as necessary to perform the work.

13. Suitable methods, approved by the Sealing Supervisor, shall be used by the contractor to protect the public and the uncured slurry surface from all types of traffic. Any damage to the uncured slurry will be the responsibility of the contractor. The contractor will be responsible for opening of the roadways to traffic and removing their barricades from each location.
14. Application of Slurry Seal – The surface shall be pre-wetted by fogging ahead of the slurry box if required by local conditions. Water used in pre-wetting the surface shall be applied at such a rate that the entire surface is damp with no apparent flowing water in front of the slurry box. The slurry mixture shall be of the desired consistency when deposited on the surface and no additional elements shall be added. Total time of mixing shall not exceed one minute. A sufficient amount of slurry shall be carried in all parts of the spreader at all times to that complete coverage is obtained. No lumping, balling, or unmixed aggregate will be permitted. No segregation of the emulsion and aggregate will be permitted. If the coarse aggregate settles to the bottom of the mix, the slurry seal shall be removed from the pavement. No excessive breaking of the emulsion will be allowed in the spreader box. No streaks, such as caused by oversized aggregates shall be left in the finished pavement.

No excessive buildup or unsightly appearance will be permitted on longitudinal or transverse joints. Approved squeegees shall be used to spread slurry in non-accessible areas to the slurry mixer. Care shall be exercised in leaving no unsightly appearance from hand work.

Treated areas will be allowed to cure until such time that the contractor and the Sealing Supervisor agree to permit their opening to traffic.
15. Quantities of materials used shall be verified by weight slips from a certified scale. All quantities of the asphalt emulsion shall be verified by daily delivery tickets and be subject to the metering device on the distributor.
16. The contractor shall provide sanitary conveniences for his employees as stated in 208.9 Sanitary Regulations, Street Construction Specifications.
17. All sealed streets on this contract will be reviewed by the Sealing Supervisor during the first spring following the sealing operations to determine if failures may exist to warrant corrections. Corrections for any failures will be discussed with the Sealing Supervisor and addressed accordingly. Any work deemed the responsibility of the contractor will be made at the contractor's expense.
18. All parking and traffic control shall be the responsibility of the Contractor. Traffic control shall conform to the "Work Zone Safety" Guidelines for Construction, Maintenance and Utility Operations dated March 2013. The Contractor will be responsible for posting

“No Parking” signs and placing barricades for street closures. The City of Milwaukee will be responsible for patching holes with asphalt and pre-sweeping with power brooms. The contractor will be responsible for covering manholes, gate valves and sewer inlets with cardboard. All “No Parking” signs, traffic cones and barricades will be picked up by the Contractor at the end of the day or the next morning.

19. The contractor will be responsible for removing the cardboard from the protected areas and removing their barricades for street closures when operations are complete and the road is ready for traffic.
20. Forestry Special Provisions: Caution should be used during the construction process to avoid damage to the roots, trunks, and branches of all street trees. Damage caused to any street tree will be repaired by the Forestry Division and the costs of repair, rejuvenation, and/or value lost will be billed to the contractor or credited against the contract at the option of the City.
21. At locations where the contractor has not complied with the Forestry Special Requirements stated in the special provisions above, and the maximum clearance was exceeded or a thin form was not used, a minimum credit to the City of \$50.00 per location will be taken. The credit will increase in proportion to the excess distance beyond clearance allowed. The credit will be \$50.00 for each two inch increment or part thereof in excess of the initial clearance allowed. If, in the opinion of the Forestry Division, the tree has been damaged to the point that it warrants removal, the credit that will be taken will be equal to \$100.00 per inch diameter of the tree. A field measurement will be taken to determine the tree size.
22. Paragraph removed.
23. Partial Payments: Partial payments will be made to the contractor if the duration of the contract exceeds 30 calendar days. The first partial payment will be made based on estimated quantities completed during the first 30 calendar days of the contract. Additional partial payments, if needed, will be made approximately every 30 calendar days during the duration of the contract.
24. In accordance with Common council File No. 900859 adopted October 16, 1990, the provisions of SS 66.285, Stats., relative to prompt payment are modified as follows: The City of Milwaukee as a matter of policy shall strive to pay all invoices within thirty (30) days. Payment to the contractor will be deemed timely if the payment is mailed, delivered, or transferred within 60 calendar days after receipt of a properly completed invoice (including all required attachments such as stored material forms, guarantees, manuals, as-built plans, etc.), or receipt and acceptance of the property or service, or the date of final completion as determined by the City when all corrective measures are complete on punch list items under the order or contract, whichever is later. If the City does not make payment by the 60th calendar day, the City shall pay simple interest beginning with the 31st calendar day at the rate of one percent per month. No interest will be paid on final payments of 10% of the contract, or \$1,000.00, whichever is greater.

PAYMENT MONITORING REQUIREMENTS

All Contractors awarded a contract valued at \$25,000.00 or more are required to participate in training on the City of Milwaukee's B2GNow contract compliance software. Contractors must complete the training no later than 30 days after the date of contract award. Throughout the contract term, Contractors are required to regularly provide timely payment information in the City's contract compliance software.

Please contact the Office of Small Business Development (OSBD) at 414-286-5553 should you have any questions or concerns regarding the training or reporting process.

BLANK

NOTICE TO CONTRACTORS

Effective immediately, the City of Milwaukee has adopted an ordinance relative to Prompt Payment as follows:

2.9.16.b) It is the City's policy to pay all invoices within 30 days. If the City does not make payment within 45 days after receipt of properly completed supporting payment and other required contract documentation, the City shall pay simple interest beginning with the 31st calendar day at the rate of one percent per month (unless the amount due is subject to a good-faith dispute and, before the 45th day of receipt, notice of the dispute is sent to the contractor by first-class mail, personally delivered, or sent in accordance with the notice provisions in the contract). If there are subcontractors, consistent with s.66.0135(3), Wis. Stats., the prime contractor must pay the subcontractors for satisfactory work within seven days of the contractor's receipt of payment from the City of Milwaukee, or seven days from receipt of a properly submitted and approved invoice from the subcontractor, whichever is later. If the contractor fails to make timely payment to a subcontractor, the contractor shall pay interest at the rate of 12 percent per year, compounded monthly, beginning with the 8th calendar day. Reference Common Council File No. 101137 adopted January 2011.

PREVAILING WAGE NOTICE

ALL PREVAILING WAGE CONTRACTS AWARDED BY THE DEPARTMENT OF PUBLIC WORKS AFTER THE FIRST OF ANY CALENDAR YEAR ARE SUBJECT TO THE NEW PREVAILING WAGE SCHEDULE THAT GOES INTO EFFECT ON JANUARY 2ND. THE PREVAILING WAGE SCHEDULE INCLUDED IN BID PACKAGES ISSUED LATE IN THE PRECEDING YEAR MAY NOT BE TOTALLY ACCURATE FOR CONTRACTS OFFICIALLY AWARDED AFTER THE TURN OF THE YEAR. THE NEW PREVAILING WAGE WILL BE INCORPORATED INTO THE CONTRACT WHEN AWARDED.

BIDDERS ARE REQUIRED TO UTILIZE THE WISCONSIN DEPARTMENT OF WORKFORCE DEVELOPMENT'S "DICTIONARY OF OCCUPATIONAL CLASSIFICATIONS AND WORK DESCRIPTIONS" TO DETERMINE THE APPROPRIATE JOB CLASSIFICATIONS AND WAGE RATES FOR THEIR EMPLOYEES PRIOR TO BIDDING. THIS DOCUMENT CAN BE FOUND ON THEIR WEBSITE AT DWD.WISCONSIN.GOV; TYPE "DICTIONARY" IN THE SEARCH BOX.

PREVAILING WAGE RATE DETERMINATION

Issued by the State of Wisconsin
Department of Workforce Development
Pursuant to s. 66.0903, Wis. Stats.
Issued On: 01/06/2014
Last Amended On: 02/28/2014

DETERMINATION NUMBER: 201400011

EXPIRATION DATE: Prime Contracts MUST Be Awarded or Negotiated On Or Before 12/31/2014. If NOT, You MUST Reapply.

PROJECT NAME: ALL PUBLIC WORKS PROJECTS UNDER SEC 66.0903, STATS - CITY OF MILWAUKEE

PROJECT LOCATION: MILWAUKEE CITY, MILWAUKEE COUNTY, WI

CONTRACTING AGENCY: CITY OF MILWAUKEE-DEPT OF PUBLIC WORKS

CLASSIFICATION:	Contractors are responsible for correctly classifying their workers. Either call the Department of Workforce Development (DWD) with trade or classification questions or consult DWD's Dictionary of Occupational Classifications & Work Descriptions on the DWD website at: dwd.wisconsin.gov/er/prevailing_wage_rate/Dictionary/dictionary_main.htm .
OVERTIME:	<p>Time and one-half must be paid for all hours worked:</p> <ul style="list-style-type: none">- over 10 hours per day on prevailing wage projects- over 40 hours per calendar week- Saturday and Sunday- on all of the following holidays: January 1; the last Monday in May; July 4; the 1st Monday in September; the 4th Thursday in November; December 25;- The day before if January 1, July 4 or December 25 falls on a Saturday;- The day following if January 1, July 4 or December 25 falls on a Sunday. <p>Apply the time and one-half overtime calculation to whichever is higher between the Hourly Basic Rate listed on this project determination or the employee's regular hourly rate of pay. Add any applicable Premium or DOT Premium to the Hourly Basic Rate before calculating overtime.</p> <p>A DOT Premium (discussed below) may supersede this time and one-half requirement.</p>
FUTURE INCREASE:	When a specific trade or occupation requires a future increase, you MUST add the full hourly increase to the "TOTAL" on the effective date(s) indicated for the specific trade or occupation.
PREMIUM PAY:	If indicated for a specific trade or occupation, the full amount of such pay MUST be added to the "HOURLY BASIC RATE OF PAY" indicated for such trade or occupation, whenever such pay is applicable.
DOT PREMIUM:	This premium only applies to highway and bridge projects owned by the Wisconsin Department of Transportation and to the project type heading "Airport Pavement or State Highway Construction." DO NOT apply the premium calculation under any other project type on this determination.
APPRENTICES:	Pay apprentices a percentage of the applicable journey person's hourly basic rate of pay and hourly fringe benefit contributions specified in this determination. Obtain the appropriate percentage from each apprentice's contract or indenture.
SUBJOURNEY:	Subjourney wage rates may be available for some of the trades or occupations indicated below with the exception of laborers, truck drivers and heavy equipment operators. Any employer interested in using a subjourney classification on this project MUST complete Form ERD-10880 and request the applicable wage rate from the Department of Workforce Development PRIOR to using the subjourney worker on this project.

This document **MUST BE POSTED** by the **CONTRACTING AGENCY** in at least one conspicuous and easily accessible place **on the site of the project**. A local governmental unit may post this document at the place normally used to post public notices if there is no common site on the project. This document **MUST** remain posted during the entire time any worker is employed on the project and **MUST** be physically incorporated into the specifications and all contracts and subcontracts. If you have any questions, please write to the Equal Rights Division, Labor Standards Bureau, P.O. Box 8928, Madison, Wisconsin 53708 or call (608) 266-6861.

The following statutory provisions apply to local governmental unit projects of public works and are set forth below pursuant to the requirements of s. 66.0903(8), Stats.

s. 66.0903 (1) (f) & s. 103.49 (1) (c) "PREVAILING HOURS OF LABOR" for any trade or occupation in any area means 10 hours per day and 40 hours per week and may not include any hours worked on a Saturday or Sunday or on any of the following holidays:

1. January 1.
2. The last Monday in May.
3. July 4.
4. The first Monday in September.
5. The 4th Thursday in November.
6. December 25.
7. The day before if January 1, July 4 or December 25 falls on a Saturday.
8. The day following if January 1, July 4 or December 25 falls on a Sunday.

s. 66.0903 (10) RECORDS; INSPECTION; ENFORCEMENT.

(a) Each contractor, subcontractor, or contractor's or subcontractor's agent performing work on a project of public works that is subject to this section shall keep full and accurate records clearly indicating the name and trade or occupation of every person performing the work described in sub. (4) and an accurate record of the number of hours worked by each of those persons and the actual wages paid for the hours worked.

s. 66.0903 (11) LIABILITY AND PENALTIES.

(a) 1. Any contractor, subcontractor, or contractor's or subcontractor's agent who fails to pay the prevailing wage rate determined by the department under sub. (3) or who pays less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor is liable to any affected employee in the amount of his or her unpaid wages or his or her unpaid overtime compensation and in an additional amount as liquidated damages as provided under subd. 2., 3., whichever is applicable.

2. If the department determines upon inspection under sub. (10) (b) or (c) that a contractor, subcontractor, or contractor's or subcontractor's agent has failed to pay the prevailing wage rate determined by the department under sub. (3) or has paid less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor, the department shall order the contractor to pay to any affected employee the amount of his or her unpaid wages or his or her unpaid overtime compensation and an additional amount equal to 100 percent of the amount of those unpaid wages or that unpaid overtime compensation as liquidated damages within a period specified by the department in the order.

3. In addition to or in lieu of recovering the liability specified in subd. 1. as provided in subd. 2., any employee for and in behalf of that employee and other employees similarly situated may commence an action to recover that liability in any court of competent jurisdiction. If the court finds that a contractor, subcontractor, or contractor's or subcontractor's agent has failed to pay the prevailing wage rate determined by the department under sub. (3) or has paid less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor, the court shall order the contractor, subcontractor, or agent to pay to any affected employee the amount of his or her unpaid wages or his or her unpaid overtime compensation and an additional amount equal to 100 percent of the amount of those unpaid wages or that unpaid overtime compensation as liquidated damages.

5. No employee may be a party plaintiff to an action under subd. 3. unless the employee consents in writing to become a party and the consent is filed in the court in which the action is brought. Notwithstanding s. 814.04 (1), the court shall, in addition to any judgment awarded to the plaintiff, allow reasonable attorney fees and costs to be paid by the defendant.

BUILDING OR HEAVY CONSTRUCTION

Includes sheltered enclosures with walk-in access for the purpose of housing persons, employees, machinery, equipment or supplies and non-sheltered work such as canals, dams, dikes, reservoirs, storage tanks, etc. A sheltered enclosure need not be "habitable" in order to be considered a building. The installation of machinery and/or equipment, both above and below grade level, does not change a project's character as a building. On-site grading, utility work and landscaping are included within this definition. Residential buildings of four (4) stories or less, agricultural buildings, parking lots and driveways are NOT included within this definition.

RESIDENTIAL OR AGRICULTURAL CONSTRUCTION

Includes single family houses or apartment buildings of no more than four (4) stories in height and all buildings, structures or facilities that are primarily used for agricultural or farming purposes, excluding commercial buildings. For classification purposes, the exterior height of a residential building, in terms of stories, is the primary consideration. All incidental items such as site work, driveways, parking lots, private sidewalks, private septic systems or sewer and water laterals connected to a public system and swimming pools are included within this definition. Residential buildings of five (5) stories and above are NOT included within this definition.
