

ADDENDUM NO. 1

The following requests for information were submitted by prospective bidders.

1. Question: What is the procedure for being listed as an equal to the Coating System proposed for the elevated water storage tank.

Answer: The procedure for submitting equal Coating Systems for consideration includes:

- **Submit the same requirements that are required in Section 09960/2 1.04 and in a format that clearly responds to the requirements listed.**
- **This information shall be submitted to anthony.supinski@milwaukee.gov and mark.gremmer@milwaukee.gov.**
- **Submittal shall address each requirement in order to be considered for review by Milwaukee Water Works.**
- **Milwaukee Water Works will provide the results of the review directly to the submitting firm.**
- **If approved as an “equal”, it is the firm’s responsibility to notify potential bidders.**
- **No addendum will be issued concerning equal coating systems.**
