

CITY OF MILWAUKEE
DEPARTMENT OF PUBLIC WORKS
MILWAUKEE WATER WORKS

ADDENDUM NO. 2

The purpose of this addendum is to provide updated information to supersede and change the following for the bid documents of the City of Milwaukee Official Notice 11-171-1 for Water Main Relays.

- **Asbestos Containing Materials (ACM)** have been verified and identified in a NESHAP Inspection report, dated December 23, 2011, completed by Delahey Industries, Inc. The report has been placed on the project website and will only be available electronically.
<http://www.mpw.net/bids/docs/171-2011/>

The CONTRACTOR shall be responsible for submitting all necessary paperwork and notifications to the proper local, state and federal agencies as required. A copy of all notifications shall be given to the CITY for documentation purposes only.

The CONTRACTOR is responsible for and shall take any and all precautions necessary for the safe removal and disposal of ACM. A removal plan shall be prepared and submitted to the CITY for documentation purposes only.

The CONTRACTOR shall adhere to any and all regulatory requirements necessary for the abatement of the ACM. The contractor shall be responsible to determine the extent to which these regulations affect the operations and comply therewithin. The ACM shall be handled by persons trained and certified for the abatement of ACM. Documentation of personnel certifications shall be provided to the CITY for documentation purposes.

The CONTRACTOR shall supply the CITY with a Disposal Manifest to validate that ACM were properly disposed.

- **Bid Items updated** – Bidders are to use the revised bid items pages attached with this addendum and dated December 28, 2011 for submitting their bids. The revised bid items includes a bid item for **Remove Asbestos Containing Material – Lump Sum**. The contractor shall furnish all labor, material, services, insurance, bonds and equipment necessary for the removal and disposal of ACM in accordance with applicable laws and regulations.
