Official Notice #47-2013
Mowing and Trimming Services for the Milwaukee Water Works

**QUESTIONS AND ANSWERS
FROM POTENTIAL PROPOSERS**

- Q1: Why does schedule "G" not list the number of times for fertilizer and weed & feed?
A1: The purpose of schedule "G" is to provide the Meter Services management with the information concerning the time and material cost of service for the task listed on the schedule.
- Q2: Which are the proper SBE and Residency Reporting forms?
A2: See Addendum No. 1 for change of reporting forms.
- Q3: Will fertilizing and weed & feed be considered "maintenance" tasks in regards for wage levels (prevailing wage vs. sustainable wage)?
A3: For the purpose of this contract, fertilizing and weed & feed tasks will be considered maintenance.
- Q4: Could Milwaukee Water Works provide site acreages?
A4: The attached schedule will provide the approximate acreage for all sites included in this bid. All bidders will use these approximate acreages for their submission to this bid.
