DEPARTMENT OF PUBLIC WORKS OFFICIAL NOTICE 48 – RFP FOR
PARKING LICENSE PLATE RECOGNITION SYSTEM**

FROM: CINDY ANGELOS, PARKING FINANCIAL MANAGER

RE: ADDENDUM #2

DATE: APRIL 25, 2013

Exhibit A of the RFP limits the number of pages to be submitted for each section requirement. To clarify, where the RFP requests attachments, these attachments will not be considered part of the page limits specified.

For example, on page 17, Exhibit A, Section 3 “Project Team”, there is a limit of 2-3 pages. However, part a1 indicates that resumes should be attached. The attachments will not be counted as part of the 2-3 page limit indicated.
